A Dog's Life is proud to support a range of charitable initiatives, with a particular emphasis on rescue groups and animal shelters/adoption programs. We focus on organizations which demonstrate that a significant percentage of contributions go directly to the cause. We currently do not support breed-specific clubs, agility dog clubs, or non-pet related causes. Please fax this form back to (310) 988-2908. Please confirm that we received it at info@adogslife.net. Please allow 30-60 days for a response. Thanks!
